Re: In the Matter of the Application of the New York City  
School Construction Authority For An Order Authorizing  
the Unsealing and Inspection of a Presentence Report in  
United States v. Nicos Trataros, Misc. 05-160

Dear Judge Gleeson:

I represent Nicos Trataros, whose presentence report in a criminal case before this Court is now the subject of an unsealing application from the New York City School Construction Authority. Pursuant to a scheduling proposal "so ordered" by the Court on July 15, 2005 (a copy of which is annexed hereto), the matter is currently scheduled for oral argument on September 9, 2005.

Because I will be traveling out of the country on that date, I respectfully write to request a brief two-week adjournment of that oral argument date. I have conferred with all interested parties and can report to the Court that none oppose this request, save the SCA, which takes no position on it. I have also conferred with the Court's chambers and am advised that the Court has availability at 10:30 a.m. on September 23, 2005. Should the Court grant this request and adjourn the oral argument to that date and time, we would respectfully request that the SCA's deadline for filing a reply be correspondingly extended from September 2 to September 16, 2005.

I thank the Court in advance for its consideration of this adjournment and related briefing extension request.

Respectfully,

Lisa A. Cahill
